

ONE.618[®]
| THE SHAPE OF SOUND |

DISCOVER THE

omnee.m

Omnidirectional Active Loudspeaker

A Symphonic Fusion of Science & Design

The ONE.618 **omnee.m** is a sculptural masterpiece that blends seamlessly with your space, enveloping you in breathtaking 360° sound.

The brand name **ONE.618** is rooted in the **Golden Ratio** ($\phi = 1.618$), a mathematical constant found in nature that has inspired musicians, artists, and architects throughout the centuries.

Distilled Complexity Luxury in Simplicity

The omnee.m is a **fusion** of minimalist **design**, **material** innovation and **acoustic** brilliance, meticulously designed and engineered to **perfection**.

Its raw **concrete** form, refined to timeless proportions, becomes a statement piece that whispers **sophistication** in any environment.

In today's noisy world filled with sensory overload, the **omnee.m** provides a **sanctuary** of **simplicity** and **freedom**, allowing you to focus on creating **unforgettable moments**.

- **No Wires, No Limits:** Move seamlessly between your living room and terrace with wireless connectivity and long battery life.
- **Smart Integration:** Effortlessly stream via AirPlay, Bluetooth, or Wi-Fi. Pair multiple speakers for an enhanced spatial experience.
- **Invisible Innovation:** Advanced touch controls and wireless charging hidden in concrete surface.
- **Intuitive interaction:** Sophisticated technology designed to feel natural and effortless.

Uncompromised Sound

Experience music as it was meant to be—**alive**, **pure** and **immersive**.

The omnee.m fills your world with breathtaking sound that adapts effortlessly to any occasion.

- **Acoustic Purity:** A specially crafted concrete enclosure ensures sound without coloration - staying true to the artist's intent.
- **360° Soundstage:** Omnidirectional sound fills every corner without relying on a traditional "sweet spot".
- **Holographic Imaging:** Point-source technology brings the performer directly into your space.
- **Studio-Grade Clarity:** A full-range driver eliminates crossover or phase distortion for precise delivery of every note. Hear the music—not the speaker.
- **Adaptive Intelligence:** Advanced DSP ensures pure, distortion-free sound—because the omnee.m never compromises.

The omnee.m **harmonizes** with modern lifestyles without sacrificing **quality** or **design**, unlike traditional audio systems that force compromises.

Life should be simple, yet extraordinary.

Concrete Harmony

Acoustic Alchemy and Invisible Complexity
in Brutalist Beauty

*"It seems that perfection is achieved,
not when there is nothing more to add,
but when there is nothing left
to take away."*

Antoine de Saint-Exupéry
Terre des Hommes (1939)

"Less, but better."
Dieter Rams (1994)

omnee.m

The Essence

Relentless **refinement** process, irrational **dedication** and attention to **detail** driven by **obsession** and **love**, result in a product that appears deceptively simple yet embodies profound complexity and thoughtfulness.

Crafted for Connoisseurs

The ONE.618 omnee.m is designed for those who demand **perfection in every detail**: audiophiles, design aficionados, architects, and interior designers.

- **Escape Through Design:** Minimalist concrete form unites functional perfection while harmonizing Brutalist minimalism with ergonomic precision.
- **Embedded Japanese Aesthetics & Philosophy:** Shibusa (渋さ) subtle beauty of simplicity with depth intertwined with Wabi-Sabi (侘び寂び) appreciation of imperfection and graceful aging.
- **Irresistible Tactile Ritual:** Its smooth, raw concrete surface invites touch, creating not just an experience but also an intimate emotional connection.
- **Sustainable Luxury:** Crafted from low-carbon concrete for lasting durability.

Enrich any setting, from apartments and villas to gardens, poolside retreats, hotel lobbies, corporate offices, galleries, and event spaces.

Personalization at its Finest

Each omnee.m is a bespoke masterpiece that reflects your unique style, taste, and passion. Each is as **unique as its owner**.

ONE.618 offers **infinite customization**:

- **Bespoke Finishes:** Match concrete colors and finishes, spacer and stand materials to your style.
- **Personal Details:** Embed unique engravings or company logo.
- **Acoustic Personalization:** Optimize driver and DSP profiles to match your preferred sound signature.
- **Functional Customization:** Expand connectivity, controls, and power options or weatherproof for extreme marine-grade conditions.

ONE.618 omnee.m is a speaker that **stands out in every way**. It's a declaration of **bold individuality** and **refined taste**. Why settle for ordinary when you can own extraordinary?

Award-Winning Design & Innovation

The omnee.m has earned global recognition for its innovative design and exceptional acoustic performance:

- **Gold A' Design Award 2024**
Praised for "redefining audio's material future" through pioneering materials and acoustic geometry.
- **Aural Experience and Soundscape Management**
Case study in academic book (Routledge, New York, 2024).

Make It Yours

Owning the ONE.618 omnee.m is **more than sound**—it's about curating a **uniquely personal experience** where design and emotion converge in **perfect harmony**.

Whether hosting an outdoor dinner party on your terrace or enjoying a concert in your living room, the **omnee.m excels on every occasion**.

Augmented
Reality
Preview

Close your eyes and **feel it**,
the subtle breath of the cello,
the raw energy of each guitar strum,
vocals so intimate
they send **tingles down your spine**.

This isn't just sound—it's **pure emotion**,
an intimate journey.

- Experience it **in your space**

Take your time...
hours or days...
to decide if it's
the **perfect fit for your life**.

Customer Experiences

Beat Huesler,
Director of European Operations
OPPENHEIM ARCHITECTURE
OPPEN.COM
Miami / Aspen / Basel

*"ONE.618 omnee.m have been a revelation in enhancing the
ambiance of the workspaces I design."*

*"The ONE.618 speakers exceeded my expectations, providing a
seamless integration of technology into the architectural narrative.
The precision in sound quality and the sleek design perfectly align
with the sophisticated environments I aim to achieve."*

*"These speakers have
become an integral part of my
toolkit, especially when catering to
exclusive residential and hospitality
designs, creating spaces that
seamlessly blend aesthetics and
functionality is paramount."*

Specifications

Acoustics

- Unified concrete body for acoustic neutrality & durability
- Advanced full-range driver for pure sound (37Hz-28kHz)
- Innovative acoustic lens achieves omnidirectional 360° horizontal / 90° vertical sound dispersion
- Class-D amplifier (200W) + DSP

Smart Integration & Connectivity

- All-in-one multi-room system with integrated streaming
- Wireless connectivity: AirPlay 2, Bluetooth 5.0, Spotify, Tidal
- Wired connectivity: Analog, digital, USB, LAN
- Controls: Touch interface / remote / smartphone app
- Add-ons: FM radio, microphone, long range UHF pairing

Power

- USB-C quick charge + Integrated powerful batteries
- Optional solar & PoE integration
- Qi wireless phone charging

Models

- Active / Passive
- Full Range / Subwoofer

Colors

- Natural Concrete Gray
- Carbon Black / Mineral White (Limited Edition)
- Custom Colors (Made to Order)

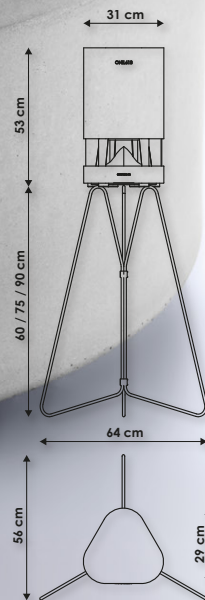

Dimensions

- Speaker: (H)53cm × (W)31cm × (D)29cm, 24kg
- Stand: (H)60/75/90cm, portable or fixed

Customer Care

Enjoy peace of mind with our:

- Comprehensive warranty
- White-glove service
- Dedicated after-sales support
